*Power to the People*

*Power to the People* is dedicated to civil rights for every human regardless of race, color, or religion, which, unfortunately, still isn't a reality for most people. This poster emphasizes the quality of companionship that the whole is always greater than the sum of its parts, and that strength comes in community and unity.

*Power to the People*

*Power to the People* es una obra dedicada a los derechos civiles de todos los seres humanos, independientemente de su raza, color o religión, lo cual, desafortunadamente, aún no es una realidad para la mayoría de las personas. Este cartel enfatiza las cualidades del compañerismo, la idea que el todo es siempre mayor que la suma de sus partes y que la fuerza proviene de la comunidad y la unidad.
